

FORMA 1800 ROOM DIVIDER WITH FLA3 1490 AUTOMATIC ETHANOL BURNER

BEV Technology®

BEST BUILD QUALITY

The product passed extensive tests carried out by the leading certification institutes. It is manufactured according to UL standards and is O-TL certified, meeting the most demanding safety and quality requirements.

PENINSULA FIREPLACE

A unique showstopper for contemporary living rooms or any other open concept interior. The peninsula fireplace breaks up the interior, creating two separate spaces with one fireplace.

PROTECTIVE DEFLECTOR

With the attached deflector you can cover the fireplace housing with combustible materials.

TRUE ZERO CLEARANCE

The feature that allows you to install the fireplace in a housing construction made of combustible materials.

INTEGRATED CONTROL PANEL

The FLA3 burner has an intuitive control panel and an inlet for automatic refuelling.

AUTOMATIC FLA3 BURNER

The automatic burner with the patented BEV Technology® is the most advanced product in the industry ensuring the cleanest burning process without any smoke, smell or ash. The flame is produced by combusting ethanol vapors and has no direct contact with the liquid fuel.

REMOTE CONTROL

Control the fire with the included remote, app on your smartphone or home automation system.

GLASS PANELS

The dedicated toughened glass panels cover the flame making it stable and even.
